To access it, just click on **General Publications**, **Tool Information**, **Diagnostics and Reprogramming**, then select **i-HDS Known Issues List**.

The screenshot displays the 'SERVICE INFORMATION SYSTEM' interface. At the top, there are four tabs: 'Search', 'General Publications' (which is selected), 'Flat Rate Labor Time', and 'What's Hot'. Below the tabs, a message reads 'Please select one of the information types to begin'. On the left side, there is a 'Publications Tree' with several categories. The 'Tool Information' category is expanded, and within it, 'Diagnostics and Reprogramming' is highlighted with a red box. Below this, 'Special Tools (07 Tools)' and 'Tool & Equipment' are listed. On the right side, the 'Search results' section shows a list of documents. The document 'i-HDS Known Issues List (Revised 12/05/2017)' is highlighted with a red box. Other documents listed include 'Automotive Reference Guide', 'Consumer Information', 'Publication & Supplies Ordering Information', 'Service Advisor Newsletter', 'Service Policy and Procedures', 'Diagnostic Tools Software Versions', 'i-HDS and HDM Installation and User Guide', 'i-HDS Honda Diagnostic System Quick Start Guide (Revised 05/02/2017)', 'i-HDS Honda Diagnostic System: "What's New With The i-HDS" Video', 'i-HDS Honda Diagnostic System: FAQ's', 'i-HDS News and Features (Revised 12/21/2017)', 'i-HDS Suite - Accord EPS Rewrite Reference Guide (Revised 01/04/2017)', 'i-HDS Suite - DST-i Instruction Manual', 'i-HDS Suite - DST-i Quick Start Guide (Revised 01/05/2017)', 'i-HDS Suite - DST-i Wireless LAN Connection Set-up Instructions', 'i-HDS Suite - HDS PC - Two WiFi Network Cards Setup Guide for the MVCI', and 'i-HDS Suite - Modular Vehicle Communication Interface (MVCi) Ethernet Quick Connection Guide'.

We update this list often, so be sure to check it out. You just may find the answers you're looking for and save yourself some valuable time.
