RE: 2017 HR-V

This notice applies to your vehicle:

Dear

What is the reason for this notice?

Our records indicate that an EMISSIONS RECALL has not been completed on this vehicle; refer to the address card for the affected VIN. There is an internal programming issue with the powertrain control module (PCM). Under certain restarting and driving conditions, the air to fuel ratio control may not properly adjust.

What will Honda do?

Call any authorized Honda dealer to have your vehicle's PCM software updated **for FREE**.

California Owners Only

The DMV will not renew your registration until this emissions recall has been completed. After completing the repair procedure, your dealer must give you a Vehicle Emission Recall - Proof of Correction certificate. Please make sure the dealer completes and gives you the certificate. Keep the certificate for your records as proof that the emissions recall was completed. Submit the certificate to the DMV only if the DMV requests it.

If you have questions

If you have any questions about this notice, or you need assistance locating a dealer, contact American Honda's Customer Support & Campaign Center at 1-888-234-2138. You may also find this information at www.hondacars.com.

We apologize for any inconvenience this campaign may cause you.

Sincerely,

American Honda Motor Co., Inc.
