RE: 2016 Civic

This notice applies to your vehicle:

Dear

What is the reason for this notice?

Our records indicate that a PRODUCT UPDATE has not been completed on this vehicle; refer to the address card for the affected VIN. The adhesive applied to the center high mount stop lamp cover on the rear window isn't strong enough, and the cover may come loose and hang down.

What will Honda do?

Call any authorized Honda dealer to have a new high mount cover installed **for FREE**.
