

Ferrari North America

Technical Information

Date: March 2018
Bulletin #: 2476
Campaign #:
Supersedes:
Section: 10

Subject: Updated contents with reference to TI 2475

Please find enclosed the tables added to/amended by the most recent Technical Documentation Update (ModisCS) released on March 1, 2018.

- IMPORTANT -

Please read the contents of these updates carefully to help ensure that all vehicle repair procedures are performed correctly to help ensure rapid problem resolution.

Please note that any repair / replacement work not compliant with the procedures described in the paragraphs listed below will result in rejection of the warranty claim and, as a result, the relative costs incurred will not be reimbursed.

First release of Technical Documentation for Portofino:

To maintain accuracy of the content for the new model, some information may only be available in Italian and in English.

Translations into other languages are under way and the new translated content will be available with the next update.
