

Can't Add Keys with the *Immobilizer Setup Tool*?

AFFECTED VEHICLES

2003–07 Accord

When adding keys or running the **System Check** with the **Immobilizer Setup Tool** in the i-HDS, are you seeing **this** message?

We're aware of this issue and have it under investigation. Until we come up with a solution, if you run into this, call the Special Tools Hotline at **800-346-6327** for support.

You'll also find this issue covered in SIS. Select **General Publications > Tool Information > Diagnostic and Reprogramming > i-HDS Known Issues List > Cannot add keys using the Immobilizer Setup Tool with 03–07 Honda Accord and 04–06 Acura TSX.**
