

SERVICE ACTION

Reference number:	SA-00-1080	Issued: 20 April, 2018
Subject:	DB11 Volante Emergency Roof Tool	
Model(s):	DB11 Volante	
VIN range:	Refer to the separately published list of Vehicle Identification Numbers (VINs)	
Applicable to:	All Dealers	
Distribute to:	After Sales Manager Executive Manager Service Manager Sales Manager	Warranty Staff Technician(s) Parts Staff

Reason for this Service Action

Due to a parts supply issue some of the initial DB11 Volantes do not have the emergency roof tool. This is used to lock and release the convertible roof in the event of a failure (refer to Figure 1).

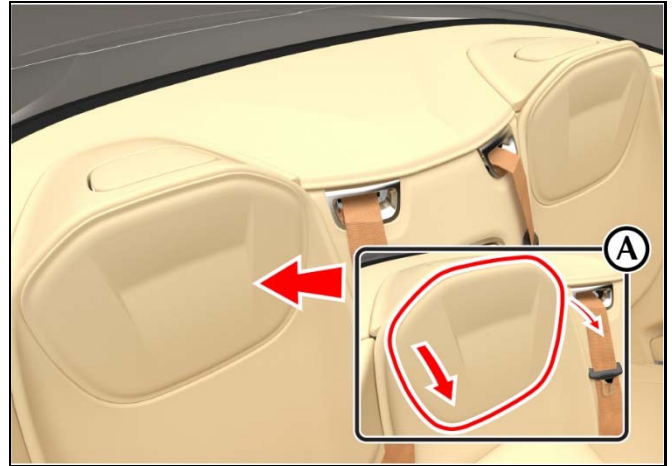

Figure 1

This Service Action gives instructions to supply and fit the emergency roof tool to these vehicles.

Workshop Procedure

1. Remove the head rest trim panel for the right side rear seat area (A) (refer to Figure 2).

**Figure 2**

2. Install the emergency roof tool (B) into the storage compartment in the right side rear seat. (refer to Figure 3).

**Figure 3**
