**Operation no. of the operation texts or standard texts and flat rates**

| Category | Op. no. | Operation text                                       | Time | Acc. no. | Code       |
|----------|---------|--|------|----------|------------|
| P        | 02 9795 | Replace/insert operator's manual and service booklet | ---  | 5892051  | NC3SERVIHE |

|  | Check  |   |  |
|---|--|---|--|
| 1   | Check whether vehicle is affected by measure         |  For authorized Mercedes-Benz service partners, only the entry in the "Extended VEGA Application" (EVA) system, in the "Current" tab is decisive. An additional test of the affected vehicles in the workshop information system (WIS) or vehicle list is thereby not necessary. |  |
|   | <b>Replace</b>                                       |   |  |
| 2   | Replace/insert operator's manual and service booklet |  The operator's manual and service booklet are available through the usual ordering channel. Dispose of old operator's manual and old service booklet properly.  |  |

**Parts ordering note**

| Part no.        | Designation   | Quantity |
|-----------------|---|----------|
| A 906 584 63 06 | French operator's manual (with code ZU7 (National version for Canada))  | 1        |
