RE: Display Audio System w/Smartphone Link (DAS) Software Update for Rear View **Camera Freezing Issue**

TIN NO. TIN-18-54-003REV

This TIN is being revised to clarify the affected audio system, and to add details about using the Mobis CSM System website (dealer login and file download). Revisions are in red text and italicized.

AFFECTED VEHICLES: 2017 Lancer Limited Edition, Mirage, Mirage G4, Outlander Sport Limited Edition

PURPOSE

Some customers may have experienced a rear view camera freezing issue while backing up. Mobis has released a fix for this issue. MMNA would like to inform dealers to update the DAS unit on a customer complaint basis.

If the customer complains of rear view camera freezing, please follow the steps below to complete the update.
