Description of Revisions: *This bulletin replaces the June 2004 version that was cancelled. The new surge tanks are now available from the PDCs.*

General Information

Plastic surge tanks on FLD Conventionals may have been prone to cracking, and have been superseded to a newly designed tank. Plastic surge tank, part number A05-19234-000, is superseded to part number A05-23574-000. This tank bolts directly onto the old mounting studs.

Parts

Parts are available through the PDCs.

Warranty

Normal warranty applies. When submitting claims, reference this service bulletin by number in the story of the claim. Use the damage code and time guide information in [Table 1](#).
