Sterling Parts Technical Bulletin

Description of Revisions: *This bulletin replaces the version dated April, 2008. Table 3, crossover from Sales Data Code to antenna module BOM, has been added.*

The information in this bulletin is a cross-reference from the Sales Data Code to radio part numbers. Although speaker and antennas are included with the Sales Data Codes they are not covered in this bulletin. Contact the Sterling Technical Support group if speakers or antenna are required. Please furnish the vehicle serial number and Sales Data Codes when assistance is required.

See **Table 1** for a cross-reference from the Sales Data Code to radio part numbers.

See **Table 2** for a list of part numbers for radio hole covers or radio trim plates.

See **Table 3** for a crossover from Sales Data Code to antenna module BOM.
