Subject: TheTruma Aqua Go comfort Plus Water Heater
Affects certain 2018 Wonder Motorhomes

Our in-house inspections have confirmed the controller cable is incorrectly routed through the rear gas pipe connector opening.

Correction:

To correct this situation, please follow the SOP included. Please contact Triple E RV / Leisure Travel Vans – Customer Relations/ Warranty Advisors for advisement on how to have this Campaign Update performed. 1-877-992-9906

Thank you for your anticipated support in correcting this concern.

Sincerely,

A handwritten signature in black ink that reads "Brad Wall".
