

Subject Leak Between Engine and Transmission Bellhousing		Market USA
Service Category Drivetrain	Section CVT	
Applicability 2014 - 2018 CorollaMY Corolla		

APPLICABLE VEHICLES

2014-2018

Corolla

CONDITION

Some 2014 – 2018 model year Corollas may experience a dark red or black colored fluid leak between the engine and transmission bell housing.

RECOMMENDATIONS

This leak has multiple potential root causes.

Please, take pictures of the source of the leak and call TAS for repair direction.

If the leak point cannot be identified, please take pictures of the inside of the bell housing and call TAS for repair direction. If it's a weekend or holiday continue with diagnosis and repair, save all parts, photos and details, contact TAS on the next available work day and review details with TAS engineer.
