DESCRIPTION

The 2017 Mazda6 Touring trim does list the following mirror accessory:

- **FRAMELESS AUTO-DIMMING REARVIEW MIRROR WITH HOMELINK®**

The 2017 Mazda6 Touring trim does not list the following mirror accessories:

- Auto-Dimming Rearview Mirror With Compass
- Auto-Dimming Rearview Mirror With Compass and Homelink®

The reason for this change is because the 2017 Mazda6 Touring now includes Smart City Brake Support (SCBS). The SCBS hardware does not support the installation of the accessory mirror.
