**Attention: All Kia Dealer Principals**

Kia Motors America, Inc. is conducting a Voluntary Service Campaign to **repaint areas of the 2018 MY Sunset Yellow Kia Stinger vehicles**. An error occurred during the factory paint process affecting paint adherence that may result in some paint chipping on certain affected areas. These affected areas include the exterior metal panels such as the hood, doors, windshield pillars and deck lid.

The Technical Service Bulletin that provides Vehicle Repair Procedures, Affected VIN Production Range, and Warranty Claim Information will be posted on the Kia Global Information System (KGIS) at [www.kiatechinfo.com](http://www.kiatechinfo.com) during the **week of July 16, 2018**.

Your Service Manager was sent a copy of the owner notification letter and a Q&A guide for campaign questions both of which describe the issue and information on how to access the list of affected vehicles on WEBDCS.

Please note that special handling is required for any new, unused in-stock 2018 MY Sunset Yellow Kia Stinger vehicles. You have or will be contacted by your Kia District Sales Manager regarding the special handling processes.
