TOL NOTICE (US&CAN) – June 18, 2018

Important Additional PDI Check on Tiger 1200 Arrow Exhaust

Triumph has identified the need for an additional PDI check to be carried out on the Tiger 1200 XCA and Tiger 1200 XRT models up to VIN #909301. This check is to ensure that the Arrow silencer is positioned properly so that the center stand correctly contacts the upstop rubber mounted to the silencer.

Please see the attached [2018 Tiger 1200 Arrow Silencer Adjustment](#) instructions and ensure that the procedure detailed is carried out on all Tiger 1200 XCA and XRT models during the Pre-Delivery Inspection.

If you have any questions in regard to these instructions, please contact Triumph 24/7 Customer Support at (888) 284-6288.
