Description

PACCAR Approved Tool for Counter Boring is the MIRA Counter Bore Tool

Release Date

7/26/2018

Introduction

The only PACCAR approved counter bore tool to use is a MIRA counter bore tool.

Extensive validation and testing has proved that similar tools do not perform with the same quality or consistency than the established MIRA tool.

DO NOT USE A SUBSTITUTE TOOL FOR COUNTER BORING.

Resolution

Information Only

Service Technicians should be aware that the only PACCAR approved counter bore tool is the MIRA tool. Substitute tools do not perform with the same quality.

Procedure

The MIRA tool and related information can be found [here](#):

The following is an example of a tool that is PACCAR approved and one that **IS NOT** PACCAR approved:
