The aforementioned part numbers may be ordered for vehicles covered by the manufacturer's warranty or subject to a POWER extended service subscription ONLY after opening an ROL (Red On Line) and submitting the respective request via the PHD system (for SAT authorization), as indicated in Technical Information 2258 (Order Type 2).

- IMPORTANT -

Please note that in order to allow Ferrari to keep its database up to date, the gearbox number of the gearbox received MUST be entered in the "Serial Number" field in the Service Entry and the 'Notes' section of the warranty claim.

Thank you for your co-operation.
