Special Coverage Adjustment
15810 Catalytic Converter Replacement

Reference Number: N151702790
Release Date: July 2018
Revision: 03

Revision Description: This bulletin has been revised update the labor time in the Warranty Information section. Please discard all copies of 15810-02.

Make              Model      Model Year     RPO     Description
Chevrolet  Equinox   2010-2011   LAF   2.4L Engine
GMC        Terrain    2010-2011   LAF   2.4L Engine

Involved vehicles are identified on the Applicable Warranties section in GM Global Warranty Management system. This site should always be checked to confirm vehicle involvement prior to beginning any required inspections and/or repairs.

Condition
On some 2010-2011 model year Chevrolet Equinox and GMC Terrain vehicles that are equipped with a 2.4L engine (RPO LAF), a malfunction-indicator light (MIL) may illuminate due to thermal damage or face erosion of the catalytic converter.

For vehicles covered by Vehicle Service Contracts, all eligible claims with repair orders on or after August 5, 2016, are covered by this special coverage and must be submitted using the labor operation codes provided with this bulletin. Claims with repair orders prior to August 5, 2016, must be submitted to the Service Contract provider.

Special Coverage Adjustment
This special coverage covers the condition described above for a period of 10 years or 120,000 miles (193,000 km), whichever occurs first, from the date the vehicle was originally placed in service, regardless of ownership.

Correction
Replace the catalytic converter. The repairs will be made at no charge to the customer.

* For USA and Canada: Submit the dollar amount reimbursed to the Customer in Net/Reimbursement. Submit $20.00 administrative allowance in Net/Admin Allowance.

For Export: Submit the dollar amount reimbursed to the Customer in Net/Reimbursement.

** Submit $10.00 administrative allowance in Net/Admin Allowance.
Special Coverage Adjustment
15810 Catalytic Converter Replacement

Service Procedure
1. Verify the catalytic converter requires replacement with a scan tool. Refer to catalytic converter diagnostics in SI.
   • If the catalytic converter requires replacement, continue to step 2.
   • If the catalytic converter does not require replacement, no further action is required.
2. Remove the catalytic converter. Refer to Catalytic Converter Replacement (LAF-AWD) or Catalytic Converter Replacement (LAF-FWD) in SI.
3. Install the new catalytic converter. Refer to Catalytic Converter Replacement (LAF-AWD) or Catalytic Converter Replacement (LAF-FWD) in SI.

Courtesy Transportation
Courtesy transportation is available for customers whose vehicles are involved in a product program and still within the warranty coverage period. See General Motors Service Policies and Procedures Manual, Section 6.1.10 – Courtesy Transportation, for details.

Customer Notification
General Motors will notify customers of this special coverage on their vehicle (see copy of typical customer letter included with this bulletin).

Customer Reimbursement
Customer requests for reimbursement of previously paid repairs to correct the condition described in this bulletin are to be submitted to the dealer prior to or by August 31, 2017. See General Motors Service Policies and Procedures Manual, Section 6.1.11 – Product Field Action Customer Reimbursement Procedure (USA & Canada) or local Policies and Procedures, for details.
Dear General Motors Customer:

As the owner of a 2010-2011 model year Chevrolet Equinox or GMC Terrain, your satisfaction with our product is very important to us.

This letter is intended to make you aware that some 2010-2011 model year Chevrolet Equinox or GMC Terrain vehicles equipped with a 2.4L engine, may have a condition where a malfunction-indicator light (MIL) may illuminate due to thermal damage or face erosion of the catalytic converter.

Do not take your vehicle to your GM dealer as a result of this letter unless you believe that your vehicle has the condition as described above.

What We Have Done: General Motors is providing owners with additional protection for the condition described above. If this condition occurs on your 2010-2011 model year Chevrolet Equinox and GMC Terrain within 10 years of the date your vehicle was originally placed in service or 120,000 miles (193,000 km), whichever occurs first, the condition will be repaired for you at no charge. Diagnosis or repair for conditions other than the condition described above is not covered under this special coverage program.

What You Should Do: If you believe that your vehicle has the condition described above, repairs and adjustments qualifying under this special coverage must be performed by a General Motors dealer. You may want to contact your GM dealer to find out how long they will need to have your vehicle so that you may schedule the appointment at a time that is convenient for you. This will also allow your dealer to order parts if they are not already in stock. Keep this letter with your other important glove box literature for future reference.

Reimbursement: If you have paid for repairs for the condition described in this letter, please complete the enclosed reimbursement form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170. The completed form and required documents must be presented to your dealer or received by the Reimbursement Department by August 31, 2017, unless state law specifies a longer reimbursement period.

If you have any questions or need any assistance, just contact your dealer or the appropriate Customer Assistance Center at the number listed below.
