

SERVICE BULLETIN

UTILITY TRAILER MANUFACTURING CO.

SB-07-009B

Issue Date: June 2006

AMMENDED: September 11, 2018

Requesting a Replacement DOT Decal for Utility Manufactured Rear Underride Guard

Utility trailers manufactured after January 1998 are built to certify rear bumper compliance with the Federal Regulations specified in DOT 49 CFR, Parts 571.223 and 571.224. Each guard is equipped with a label that certifies that compliance.

THE FOLLOWING IS FOR DECAL REPLACEMENT ONLY. FOR GUARD AND DECAL REPLACEMENT, CONTACT THE FIELD SERVICE DEPARTMENT AND/OR REFER TO SB-07-009A

Replacement DOT Decal must **ONLY BE AFFIXED TO A UTM-DESIGNED AND MANUFACTURED rear bumper**. In a case where a label replacement is required (for example, the label is damaged or missing), a new label for replacement is available through the placing a stock order through Utility PDC.

***Under this new process and availability of decals, Utility Field Service department will fill orders for replacement decals until 09/28/2018. After this date, orders must be placed through PDC.**

- DOT decal for rear guard is a no charge item
- DOT decal will be placed on a stock order unless alternate shipping method is requested

NOTE: The dealer is solely responsible for ensuring the guard is a Utility Trailer manufactured guard, installed to OEM spec, and meets that of DOT Maintenance Standard.

- This Service Bulletin superceeds that of SB-07-009A for a REPLACEMENT DECAL ONLY
- Replacement guard (bumper) and decal follows the same process found in SB-07-009A

Any further questions may be directed to the Field Service Department at (800) 423-6591.
