RE: Bulldog Winch

The 7800# Bulldog Winch options have been changed to the following:

12-Volt Bulldog 7800# Winch w/ **Wireless Remote** & Cable Rope (Includes 12V Battery and Box)\$ 780.00

12-Volt Bulldog 7800# Winch w/ **Wireless Remote** & Synthetic Rope (Includes 12V Battery & Box).....\$ 947.00

As you can see, each option for the 7800# Bulldog Winch has gone up \$ 35.00.

The reason for this increase is that the **Wireless Remote** is now standard.

Please take the time to replace pages 39 & 40 in the Options section of your Dealer Data Book to help keep it current.

Thank You.
