Dear Colleagues,

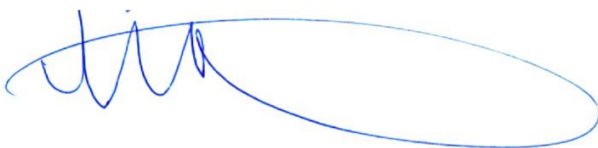

We would like to investigate the installation of aftermarket dash cameras on Aston Martin vehicles. This is to better understand the dash camera market and any impact dash cameras can have on the vehicle's electronic systems.

In order to do this, please could you complete the questionnaire available in DCS with this Service Policy Letter. Please return the filled-out questionnaire to: [Sachiro.Kataoka@astonmartin.com](mailto:Sachiro.Kataoka@astonmartin.com)

If you have any questions about this Policy Letter, please speak to Client Services - Technical on Tel: +44 (0) 1926 644720.

Thank you in advance for your assistance in providing this information.

Yours faithfully

Steve Tiltman
