SUBJECT: TBB FL743 – Revised Bulletin

This letter is to inform you that a revised bulletin for Recall **FL743 TBB Wheelchair Pocket Track** is available on DTNACconnect. Please print and use the revised bulletin for all work under FL743 from this point forward.

REVISION: Some vehicles may not have the affected pocket track. An SRT for inspection only has been added to address this. The recall affects the pocket track only and not continuous track.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNACconnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
