Subject: Service Campaign T3F - 2015-17 Veloster Vacuum Pump  
Sealant Application/Cap Replacement (TSB# 18-01-031)

Hyundai Motor America is conducting a Service Campaign to inspect and (if necessary) replace the vacuum pump cap on certain 2015-17 Veloster vehicles. Service Campaign T3F provides a service procedure to inspect and apply sealant or replace the vacuum pump cap.

In order to identify only those vehicles affected by Service Campaign T3F, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the inspection. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign T3F.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - Retailed.

TSB #18-01-031 will be available on HMAService.com on October 11, 2018. It contains instructions on performing the service procedure and submitting the campaign claim.

***1 can of Permatex spray sealant was shipped to all dealers on Sept 4th. Additional Permatex spray sealant can be ordered.***

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
