

<p>Range Rover RR Sport Discovery 18MY</p>	<p>Upon delivery of the vehicle, it is noted the vehicle will start without holding the RF key by the IAU</p>	<p>The strategy for starting the vehicle in transport mode has changed to accommodate improved key locating abilities of the RFA system. The vehicle is expected to start with the key located in the vicinity of the driver seat and with the driver door closed although it is still necessary to wake the vehicle up with the hazard switch, etc. This functionality will be rolled out into more models in the future. No timing available.</p>	<p>TBC</p>
