## Timing Chain/Timing Chain Tensioner Limited Warranty Extension

For applicable Settlement Class Vehicles, the New Vehicle Limited Warranty will be extended to cover repair or replacement (by an authorized Audi dealer) of a failed timing chain and/or timing chain tensioner for a period of 10 years or 100,000 miles, whichever occurs first, from the vehicle’s in-service date.

The vehicle’s original in-service date is defined as the date the vehicle was delivered to either the original purchaser or the original lessee; or if the vehicle was first placed in service as a “demonstrator” or “company” car, on the date such vehicle was first placed in service.

### What is Covered?

The warranty extension will be subject to the terms and conditions of the original applicable New Vehicle Limited Warranty (other than the extended time/mileage period) and will include the timing chain tensioner, timing chain, and any parts and labor necessary to effectuate a repair. It will apply to all Settlement Class Vehicles irrespective of whether the vehicle has been repaired on or before the effective date of the settlement.

---

Damage resulting from abuse, alteration or modification, a collision or crash, vandalism and/or other impact is excluded and not covered under the extended warranty. Repair or replacement under this extended warranty must be performed by an authorized Audi dealer.

## Documents that Must be Provided by the Settlement Class Member

In order to obtain a repair/replacement under the extended warranty, the Settlement Class Member must provide, to the dealer, proof of reasonable adherence to the oil maintenance requirements of the vehicle's maintenance schedule during the class member's ownership/lease of the vehicle. Reasonable adherence is considered to be within a 10% variance of scheduled time and mileage maintenance requirements. The proof provided to the dealer must be in the following form:

Documents [i.e., maintenance records, invoices, receipts, etc.] evidencing the Settlement Class Member's good faith adherence to the relevant aspects of the vehicle maintenance schedule during the time he/she owned the Settlement Class Vehicle, in particular, scheduled oil changes, up to the date/mileage of repair/replacement, within the variance set forth above.

However, in the event maintenance records cannot be obtained despite a good faith effort to obtain them, the Settlement Class Member may submit a sworn declaration detailing what efforts were made to obtain the records, why the records are not available, and attesting to adherence to the vehicle maintenance schedule and, in particular, scheduled oil changes, up to the date/mileage of replacement/repair, within the variance set forth above. A standard Vehicle Maintenance Declaration form is included in this communication to provide guidance to you and to customers regarding the requirements for a sworn declaration in the event a customer is unable to obtain the scheduled vehicle maintenance records despite a good faith effort to obtain them. The customers are not required to submit this exact form, but they must submit a written statement, signed under penalty of perjury, containing the information that is requested in this form.

## Transferability

The warranty, as extended, is fully transferable to subsequent owners.
