

PRODUCT UPDATE

DRUM BRAKE AVAILABILITY

LIT NO: P76031

DATE: October 2018

Hendrickson Trailer Commercial Vehicle Systems announces an addition to its brake drum selections on RTR® READY-TO-ROLL® wheel-end packages available on INTRAAX®, INTRAAX®-SP, VANTRAAX®, ULTRAA-K® suspension systems and TRLAXLE® non-integrated axles.

Effective October 2018, KIC's Trident® series brake drum became available for both 16.5" x 7" or 16.5" x 8-5/8" brakes. This fused, steel shell brake drum is a lightweight offering in addition to the Stemco Centrifused® brake drum. Please contact KIC for additional details about product and maintenance information on the Trident series brake drum.

KIC Trident Series Brake Drum

To receive a valid part number, price and availability on this new option, please contact your sales or service representative. For an aftermarket replacement or retrofit, please refer to Hendrickson's L949 RTR parts list for a valid part number.

As always, Hendrickson is committed to providing world class product and customer service. Please contact your Hendrickson sales representative or call 1-866-RIDEAIR (743-3247) to speak with a customer service representative for more information.

Call Hendrickson at 330.489.0045 or 866.RIDEAIR (743.3247) for additional information.
