Subject: Service Campaign T3I - 2019 Veloster Headlining Assist Handle Noise Repair (TSB# 18-01-038)

Hyundai Motor America is conducting a Service Campaign to repair the noise from the headlining assist handle on certain 2019 Veloster vehicles. Service Campaign T3I provides a service procedure to repair the noise from the assist handle area.

In order to identify only those vehicles affected by Service Campaign T3I, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the inspection. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign T3I.

A listing of VEHICLES is also located on <u>WEBDCS</u>, <u>SERVICE</u> tab, select <u>INFORMATION</u>, and select <u>UNCOMPLETED CAMPAIGN VIN LISTING</u> -Dealer Stock and Retailed.

TSB #18-01-038 will be available on HMAService.com on November 15, 2018. It contains instructions on performing the service procedure and submitting the campaign claim.

A shipment of noise prevention pad kits began shipping on November 14th to certain dealers with affected in stock vehicles. Noise prevention pad kits will be placed on "Critical Supply Part" (CSP) which requires an applicable Service Campaign T3I VIN.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
