RE: Achilles Flooring

---

Until further notice, the 3/4" Gray Achilles Flooring is unavailable. Our supplier has run out and cannot give us any type of solid date as to when we can expect the next delivery. We suspect it will be quite some time.

As an alternative, we have found a new provider for our "Spray-On Floor Liner" option that has proven to be far more economical while still providing a quality product.

Because of this, we have been able to reduce the cost for our Spray-On Floor Liner option from \$17.00 per square foot down to \$9.00 per square foot.

Give it a try! Dealers that have already ordered the Spray-On Floor Liner option have provided us with very positive feedback, and their customers have been quite happy with the product.

As an added incentive, any trailer ordered with the Spray-On Floor Liner option between now and December 31, 2018 will receive a discount of 10% off the cost of the Spray-On Liner option.

So, go ahead, add it to the floor, the ramp door, or even the walls. We don't mind.

Thank You.
