

Subject Lug nut size change on 19MY Yaris SD MEX-Prod		Market USA
Service Category Suspension	Section Tire/Wheel	
Applicability 19MY Yaris (WMI=3MY)		

APPLICABLE VEHICLES

2019	Yaris SD MEX-Prod
------	-------------------

CONDITION

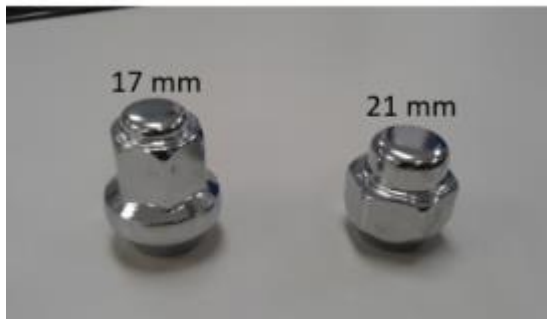

- 1) Lug nut size change from 21 mm to 17mm was implemented on 9/10/2018.
- 2) The 21mm wheel locking nut will not work with the OE wrench (since it is for 17mm nuts).

Yaris Model Year	Lug nut size	Hub nut box wrench	Locking nut size
18MY	21mm	21mm	21mm
19MY (9/10/18)	17mm	17mm	21mm

RECOMMENDATIONS

Please check the vehicle production date on the doorjamb area.

- Only use part number PT276-12160 for vehicles built on 9/9/2018, or before, and for 18MY.
- **DO NOT** use part number PT276-12160 on 19MY vehicles built after 9/9/2018. See pictures below for reference.
