Subject: Service Campaign T3J - 2019 Elantra Headlight
Replacement and Aiming Adjustment (TSB# 18-01-039)

Hyundai Motor America is conducting a Service Campaign to replace the headlights and perform aiming adjustments on certain 2019 Elantra vehicles equipped with halogen headlights. Service Campaign T3J provides a service procedure to replace the headlights and perform aiming adjustments.

In order to identify only those vehicles affected by Service Campaign T3J, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the inspection. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign T3J.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - Retailed & Dealer Stock.

TSB #18-01-039 will be available on HMAService.com on December 04, 2018. It contains instructions on performing the service procedure and submitting the campaign claim.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.

LEGAL LIABILITY NOTICE: Hyundai Motor America dealers may use owner information provided for the campaign only for the purpose of conducting and performing this service campaign, and for no other purpose, including marketing to affected owners. You may not disclose any such information to others.

Hyundai appreciates your cooperation and support. Questions may be directed to your District Parts and Service Manager or Warranty HELPREP line at 1-877-446-2922.
