Special Tools & Equipment

Number: ATE-18-19

Subject: 74D5 PODS Control Module Programmer - AT- 416

Date: Nov. 2, 2018

In anticipation of the Passenger Occupant Detection System (PODS) Safety Recall - 74D5, Audi of America is pleased to inform you of the automatic delivery of the PODS Control Module Programmer used to reprogram the PODS Control Modules during Safety Recall - 74D5.

This distribution is free of charge.

IMPORTANT! PLEASE READ THOROUGHLY.

Audi dealerships will be required to return the PODS Re-programmers to Audi of America at a later date so that the history and PODS re-flash information can be downloaded and stored.

Failure to do so will result in a charge not to exceed \$1200.00.

Return details and instructions will be provided in a future communication when Safety Recall - 74D5 nears completion.

Starting November 12, 2018, all Audi dealers will be shipped one AT-416 Special Tool Package, Freight F.O.B. Snap-On OEM free of charge.

Please direct shipping inquiries to the Audi Tools and Equipment program: 800-892-9650.

Additional PODS Re-programmers are not available through Audi Tools and Equipment program. Please refer to the 74D5 circular for instructions on obtaining replacement PODS Re-programmers.
