Customer statement / workshop findings

The rear bow casting/s of the roof assembly can be replaced separately.

Technical background

If the rear bow casting/s require replacing a repair kit is available to enable these parts to be replaced separately.

Production change

*

Measure

Replace the castings using repair kit 3W7 898 085.

The procedure is described in ElsaPro under;

Rep. Gr. 61 - Convertible top/hard top/canopy → Hood assembly → Rear bow casting – To replace
