**Performing 19N4 or 19O2**

12/18/2018

To clarify when to perform 19N4 or 19O2 when the vehicle is in for repairs, please note:

- If the 19N4 has been completed (closed in ELSA), the 19O2 does not require completion.
- If the 19O2 has been completed (closed in ELSA), the 19N4 does not require completion.
- If the 19O2 does not show open in ELSA, the 19O2 repair should not be performed.

Please contact Audi Warranty with any questions.
