Description

Session Report Failures with DAVIE4 Version 18.06 and older

Release Date

12/21/2018

Introduction

Peterbilt has determined that all versions of DAVIE4 18.06 and older need to be updated to the latest version.

Older versions will fail to load Session Reports. When opening a Session Report, a pop up error message will be received:

Resolution

Information Only

After updating to the latest version of DAVIE4, Session Reports will function correctly.

Procedure

Update to latest version of DAVIE4:

1. Open DAVIE4 and log in.
2. Click the **DAVIE update** [button](#).

3. Click on **DAVIE4 Workshop content** and then click **Continue**.

4. The FlexNet Connect Common Software Manager opens and displays available updates. Install all available updates.

Access to PACCAR's Enterprise Portal is provided as a benefit of doing business with PACCAR.
