## Gloves p/n 9814135

### Background:

VIDA will be updated with info regarding handling and storage etc.

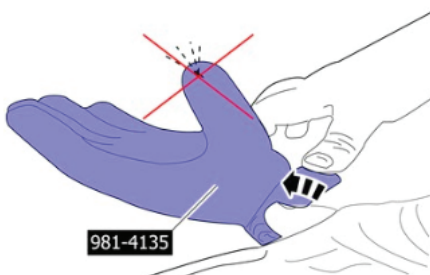

Before every use carry out a visual inspection and check the glove inflation, see instructions.  
Any puncture or perforation makes the gloves unusable, to be scrapped.

Store in sealed original packaging when not used.

Expiration date does not exist, as long they are ok after inspection they can be used.  
Date on gloves are manufacturing date.

For technical information see original packaging.

See attachment for VIDA example.

**Warning!**

**Make sure that there are no leaks.**
