Example

Code	Type	Description	Bulletin	Proc.
LXX-A.XX.XX		CAMPAIGN NAME		B

NOTE

Procedure A will be available only when the instructions require to carry out a preliminary control to determine whether or not a vehicle needs to be updated.

Information to the field

Due to continuous product monitoring, Automobili Lamborghini Spa has encountered a possible issue in the positioning of the exhaust terminals that could affect the rear diffuser paint.

Operations:

The instructions herein provided include 2 operations:

- **Operation B:** Adjustment of the muffler and rear exhaust terminals.
- **Operation C:** Only adjustment of the rear exhaust terminals.

Field solution:

Update the vehicle following the instructions provided in the this bulletin.

Spare parts:

None

Replaced parts management:

Store properly and label the parts replaced with the bar code form for their identification during Area Manager visits.

Labour time:

- Operation B: 0.75 hour.
- Operation C: 0.67 hour.

Substituted former Bulletins:

None.

Warranty Claim instructions

To claim the reimbursement log into the warranty system management on the Lamborghini HUB and consults the manual "W.Claim " available on the portal for the download .

Select the desired campaign and go on with the claim insertion, read carefully the windows message content and choose the option button corresponding to the operation performed .
