## Roof-Mounted Ventilator Inactivation

Models impacted: HDX, EFX, Minotour

Due to parts being discontinued by the supplier, options B5780-XX-000 Roof-Mounted Electric Ventilator will be discontinued from use on new orders committed 2/20/2018.

Please use existing options B525242XXX or B525262XXX for any future powered roof hatch ventilator requirements. Below is a summary of changes that will take effect in ASIST.
