DESCRIPTION:

With the launch of the New S60 (MY19-MY20), Volvo cars would like to receive early indications on the initial quality and impressions of the car.

**SERVICE:**

Please submit a Vehicle report on each issue you have knowledge about, not only limited to what a technician in the workshop is confronted with, but also the sales staff experience when presenting the car to potential customers.

Detailed symptom descriptions are essential for us to understand and to be able to reproduce the symptoms in the test cars at Volvo cars.

Pictures, movies, sound files and log files will help us enormously.

VEHICLE REPORT:

Yes, please submit a Vehicle Report if the service solution described in this TJ has no effect. Use concern area "Vehicle Report" and sub concern area "Support not needed", use applicable function group.
