## Removal

**Note! Removal steps in this procedure may contain installation details.**

## Color symbols

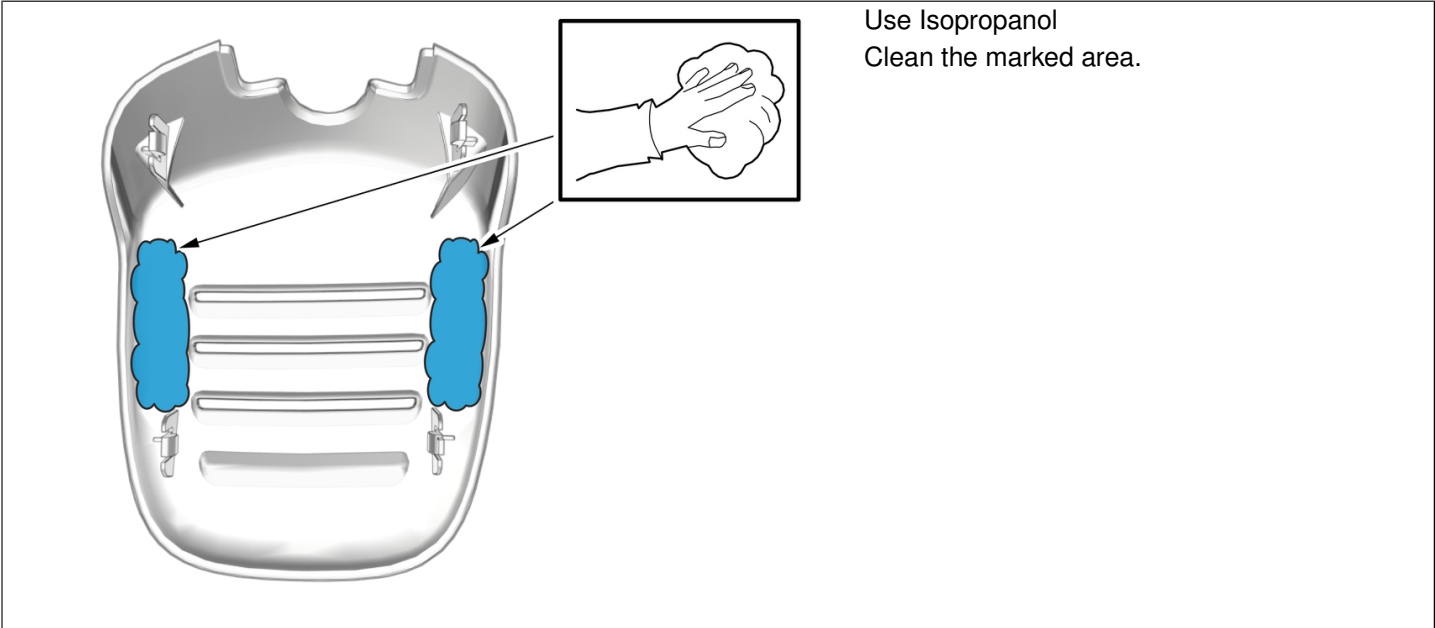

**Note! This colour chart displays (in colour print and electronic version) the importance of the different colours used in the images of the method steps.**

- 1 . Used for focused component, the component with which you will do something.
- 2 . Used as extra colors when you need to show or differentiate additional parts.
- 3 . Used for attachments that are to be removed/installed. May be screws, clips, connectors, etc.
- 4 . Used when the component is not fully removed from the vehicle but only hung to the side.
- 5 . Used for standard tools and special tools.
- 6 . Used as background color for vehicle components.

Remove the marked part.

**Note! Ensure that the tape is fixed to the surface.**

Install the marked components.

### Installation

To install, reverse the removal procedure.
