Subject CR-V and Civic Service Bulletin Updates Effective 1/12/2019

CR-V (SB# 18-114, 18-124, 18-147) and Civic (SB# 18-137)

American Honda issued four service bulletins addressing drivability concerns that may cause DTC's to set in affected vehicles.

These bulletins inadvertently duplicated time for items such as the Throttle Position check and Idle learn procedure. Effective 01/12/2019, the flat rate times will be revised on the following bulletins:

- 18-114, 18-137 - 1.1 hours to **0.8 hour**
- 18-124 - 0.9 hour to 0.6 hour
- 18-147 - 1.1 hours to 0.8 hour and 0.9 hour to 0.6 hour respectively

We apologize for any inconvenience this has caused.
