**SUBJECT: NEW VEHICLE DEMONSTRATION / DELIVERY HOLD  
Customer Satisfaction Program 19B01**

Certain 2019 Model Year Expedition and Navigator Vehicles Equipped With R-1234yf Refrigerant  
Special Air Conditioning - Evacuation and Charging Service Information

**PROGRAM TERMS**

This program will be in effect through December 31, 2019. This is a one-time repair program and DOES NOT apply to vehicles outside of New Vehicle Limited Warranty. Coverage is automatically transferred to subsequent owners.

**AFFECTED VEHICLES**

Vehicle	Model Year	Assembly Plant	Build Dates
Expedition	2019	Kentucky Truck	November 14, 2018 through November 16, 2018
Navigator	2019	Kentucky Truck	November 14, 2018 through November 16, 2018

Affected vehicles are identified in OASIS and FSA VIN Lists.

**REASON FOR THIS PROGRAM**

This program provides special service instructions and loaner equipment to expedite the repair of the air conditioning (a/c) system on affected vehicles, which may not have been properly evacuated prior to the refrigerant charge, leaving oil and air in the system. Over time, un-evacuated air in the a/c system may result in decreased a/c performance, including being slower to cool, slower to defog, and a/c compressor failure.

**SERVICE ACTION**

Before demonstrating or delivering any new in-stock vehicles involved in this program, dealers are to obtain the special loaner equipment from Ford Motor Company necessary to evacuate the a/c system of refrigerant. Once the refrigerant has been evacuated, dealers will replace the compressor and desiccant bag (part of condenser), and recharge the system. This service must be performed on all affected vehicles at no charge to the vehicle owner.

NOTE: To obtain the loaner equipment, dealers are to submit a VIN-specific contact via the Special Service Support Center (SSSC) web contact site. Follow the on-line instructions and complete the bailment agreement. The SSSC web contact site can be accessed through the Professional Technician Society (PTS) website using the SSSC link listed at the bottom of the OASIS VIN report screen or listed under the SSSC tab.

## **OWNER NOTIFICATION MAILING SCHEDULE**

Owner letters are expected to be mailed the week of January 28, 2019. Dealers should repair any affected vehicles that arrive at their dealerships, whether or not the customer has received a letter.

## **ATTACHMENTS**

Attachment I: Administrative Information  
Attachment II: Labor Allowances and Parts Ordering Information  
Attachment III: Technical Information  
Attachment IV: Dealer Bailment Agreement  
Owner Notification Letters

## **QUESTIONS & ASSISTANCE**

For questions and assistance, contact the Special Service Support Center (SSSC) via the SSSC Web Contact Site. The SSSC Web Contact Site can be accessed through the Professional Technician Society (PTS) website using the SSSC link listed at the bottom of the OASIS VIN report screen or listed under the SSSC tab.

Ford shall not be prohibited from selling, assigning, transferring or otherwise encumbering any interest or right hereunder with respect to the Equipment. Nothing contained herein shall be interpreted as releasing Borrower from any of its obligations as specified in this Agreement.
13. Publicity. Neither party hereto shall identify the other party as a joint venturer or partner or otherwise characterize the arrangement between them as anything other than a bailment. Borrower shall not disclose or publicize to any third party: (a) any description of the Equipment, technical specifications or other information about the Equipment; (b) the nature or terms of this Agreement; or (c) the results of any testing, inspection or evaluation of the Equipment by Ford or Borrower without Ford's prior written consent. Ciudad, País 12345

Número de identificación del vehículo (VIN): 12345678901234567

El compromiso de Ford Motor Company no es solo fabricar productos confiables y de alta calidad, sino también lograr la plena satisfacción del cliente. Para demostrar este compromiso, le ofrecemos el Programa de satisfacción del cliente sin costo alguno para su vehículo con el VIN que aparece más arriba.

**¿Por qué usted recibe este aviso?**

Es posible que el sistema de aire acondicionado (a/c) en su vehículo no haya sido correctamente evacuado antes de cargar el refrigerante, quedando aceite y aire en el sistema.

**¿Cuál es el efecto?**

Con el paso del tiempo, el aire no evacuado del sistema de a/c podría disminuir el rendimiento del sistema, con lo cual se hace más lento el enfriamiento y el desempañoamiento, además de generar una falla en el compresor del a/c.

**¿Qué medidas adoptarán Ford y su distribuidor?**

Ford Motor Company, en su permanente interés por satisfacer al cliente, ha autorizado a su distribuidor a evaluar el sistema de refrigerante del a/c, a reemplazar el compresor y la bolsa desecante (pieza del condensador) y a recargar el sistema, sin costo alguno (piezas y mano de obra) conforme a los términos de este programa.

Este Programa de satisfacción del cliente tendrá vigencia hasta el 31 de diciembre de 2019, independientemente del millaje. La cobertura se transfiere automáticamente a los siguientes propietarios.

**¿Cuánto tiempo tomará?**

El tiempo necesario para esta reparación será menos de medio día. Sin embargo, debido a los requisitos de planificación de servicio, es posible que su distribuidor tarde un poco más.

**¿Qué debe hacer?**

Llame a su distribuidor lo antes posible para que programe una cita de servicio para realizar el Programa de satisfacción del cliente 19B01. Proporcione el VIN a su distribuidor, el cual está impreso debajo de sus datos al comienzo de esta carta.

Si aún no tiene un distribuidor para realizar el servicio, puede acceder a [www.Fordowner.com](http://www.Fordowner.com) para conocer las direcciones de los distribuidores, ver mapas y obtener las instrucciones para llegar.

Ford Motor Company le recomienda que realice esta acción de servicio en su vehículo. El propietario del vehículo es responsable de efectuar los arreglos necesarios para llevar a cabo el trabajo. Ford Motor Company puede negar la cobertura en caso de que el vehículo hubiese sufrido daños por no haber realizado la campaña de manera oportuna. Por lo tanto, le solicitamos que realice esta acción de servicio lo antes posible.

NOTA: puede recibir información sobre las campañas y los programas de satisfacción del cliente a través de la aplicación FordPass. La aplicación se puede descargar a través de App Store o Google Play. Adicionalmente, existen otras funciones como reserva y pago de estacionamientos en ciertos lugares, además de control de ciertas funciones en el vehículo (bloqueo y desbloqueo de puertas, arranque remoto) si así está equipado para permitir el control.

**¿Qué pasa si usted ya no es el propietario del vehículo?**

Si usted ya no es el propietario del vehículo y tiene la dirección del propietario actual, le solicitamos que le reenvíe esta carta.

Este aviso lo recibió porque en nuestros archivos, basados principalmente en datos de registro y propiedad de los EE. UU., aparece usted como el propietario actual.

**¿Podemos hacer algo más por usted?**

Si tiene problemas para reparar de inmediato su vehículo y sin costo alguno, comuníquese con el Gerente de Servicio de su distribuidor para solicitar ayuda.

Your Vehicle Identification Number (VIN): 12345678901234567

At Ford Motor Company, we are committed not only to building high quality, dependable products, but also to building a community of happy, satisfied customers. To demonstrate that commitment, we are providing a no-charge Customer Satisfaction Program for your vehicle with the VIN shown above.

- Why are you receiving this notice?** On your vehicle, it is possible that the air conditioning (a/c) system may not have been properly evacuated prior to the refrigerant charge, leaving oil and air in the system.
- What is the effect?** Over time, un-evacuated air in the a/c system may result in decreased a/c performance, including being slower to cool, slower to defog, and a/c compressor failure.
- What will Ford and your dealer do?** In the interest of customer satisfaction, Ford Motor Company has authorized your dealer to evacuate the a/c system of refrigerant, replace the compressor and desiccant bag (part of condenser), and recharge the system, free of charge (parts and labor) under the terms of this program. This Customer Satisfaction Program will be in effect until December 31, 2019 regardless of mileage. Coverage is automatically transferred to subsequent owners.
- How long will it take?** The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.
- What should you do?** Please call your dealer without delay to schedule a service appointment for Customer Satisfaction Program 19B01. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter. If you do not already have a servicing dealer, you can access [www.Fordowner.com](http://www.Fordowner.com) for dealer addresses, maps, and driving instructions. Ford Motor Company wants you to have this service action completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this service action

performed on a timely basis. Therefore, please have this service action performed as soon as possible.

NOTE: You can receive information about Recalls and Customer Satisfaction Programs through our FordPass App. The app can be downloaded through the App Store or Google Play. In addition there are other features such as reserving and paying for parking in certain locations and controlling certain functions on your vehicle (lock or unlock doors, remote start) if it is equipped to allow control.

**What if you no longer own this vehicle?**

Programa de satisfacción del cliente 19B01

Sr. Juan Pérez  
Calle Principal 123  
Ciudad, País 12345

Número de identificación del vehículo (VIN): 12345678901234567

El compromiso de The Lincoln Motor Company no es solo fabricar productos confiables y de alta calidad, sino también lograr la plena satisfacción del cliente. Para demostrar este compromiso, le ofrecemos el Programa de satisfacción del cliente sin costo alguno para su vehículo con el VIN que aparece más arriba.

**¿Por qué usted recibe este aviso?**

Es posible que el sistema de aire acondicionado (a/c) en su vehículo no haya sido correctamente evacuado antes de cargar el refrigerante, quedando aceite y aire en el sistema.

**¿Cuál es el efecto?**

Con el paso del tiempo, el aire no evacuado del sistema de a/c podría disminuir el rendimiento del sistema, con lo cual se hace más lento el enfriamiento y el desempañamiento, además de generar una falla en el compresor del a/c.

**¿Qué harán Lincoln y su distribuidor?**

The Lincoln Motor Company, en su permanente interés por satisfacer al cliente, ha autorizado a su distribuidor a evaluar el sistema de refrigerante del a/c, a reemplazar el compresor y la bolsa desecante (pieza del condensador) y a recargar el sistema, sin costo alguno (piezas y mano de obra) conforme a los términos de este programa.

Este Programa de satisfacción del cliente tendrá vigencia hasta el 31 de diciembre de 2019, independientemente del millaje. La cobertura se transfiere automáticamente a los siguientes propietarios.

**¿Cuánto tiempo tomará?**

El tiempo necesario para esta reparación será menos de medio día. Sin embargo, debido a los requisitos de planificación de servicio, es posible que su distribuidor tarde un poco más.

**¿Qué debe hacer?**

Llame a su distribuidor lo antes posible para que programe una cita de servicio para realizar el Programa de satisfacción del cliente 19B01. Proporcione el VIN del vehículo a su distribuidor. El VIN está impreso debajo de sus datos al inicio de esta carta.

Los propietarios de vehículos Lincoln año de modelo 2017 o posterior que se ven afectados por esta campaña tienen la opción de solicitar el servicio

complementario de retiro y entrega Lincoln con un vehículo Lincoln para uso durante el servicio. Solicite el servicio de retiro y entrega Lincoln a través de su distribuidor si desea aprovechar esta oportunidad.

Si aún no tiene un distribuidor para realizar el servicio, puede acceder a [www.Lincolnowner.com](http://www.Lincolnowner.com) para conocer las direcciones de los distribuidores, ver mapas y obtener las instrucciones para llegar.

The Lincoln Motor Company le recomienda que realice esta acción de servicio en su vehículo. El propietario del vehículo es responsable de efectuar los arreglos necesarios para llevar a cabo el trabajo. The Lincoln Motor Company puede negar la cobertura en caso de que el vehículo hubiese sufrido daños por no haber realizado esta acción de servicio de manera oportuna. Por lo tanto, le solicitamos que realice esta acción de servicio lo antes posible.

NOTA: puede recibir información sobre las campañas y los programas de satisfacción del cliente a través de la aplicación The Lincoln Way: Lincoln Owner. La aplicación se puede descargar a través de App Store o Google Play. Adicionalmente, existen otras funciones como reserva y pago de estacionamientos en ciertos lugares, además de control de ciertas funciones en el vehículo (bloqueo y desbloqueo de puertas, arranque remoto) si así está equipado para permitir el control.

**¿Necesita un vehículo de alquiler?**

Su distribuidor está autorizado a ofrecerle un vehículo de alquiler para su transporte personal sin costo (excepto el combustible, el seguro y los impuestos) mientras su vehículo se encuentre en reparación. Comuníquese con su distribuidor para conocer las pautas y limitaciones.

**¿Qué pasa si usted ya no es el propietario del vehículo?**

Si usted ya no es el propietario del vehículo y tiene la dirección del propietario actual, le solicitamos que le reenvíe esta carta. Este aviso lo recibió porque en nuestros archivos, basados principalmente en datos de registro y propiedad de los EE. UU., aparece usted como el propietario actual.

**¿Podemos hacer algo más por usted?**

Si tiene problemas para reparar de inmediato su vehículo y sin costo alguno, comuníquese con el Gerente de Servicio de su distribuidor para solicitar ayuda.
