**Background**

American Honda Motor Co., Inc. (AHM) is investigating certain 2018-2019 Civic 2.0Ls with a customer complaint of an oil leak. To better understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

**Qualifiers**

AHM is interested ONLY if the vehicle meets the following requirement:

1. VIN must start with 2HG & must be after 2HGFC2...JH557767.
2. 2.0L Engine only.
3. Must confirm oil leak is from the valve cover gasket.
4. No repair has been attempted for this issue.

**Action Required**

If you have or know of such a vehicle, please call the Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
