Warranty Coverage by Component Quick Reference

Volkswagen

Volkswagen of America, Inc.

INTRODUCTION

The *Warranty Coverage by Component Quick Reference* is a tool that can be used to assist dealers in determining the warranty coverage on select components. Components included in this publication may have variations in normal warranty conditions and/or terms; not all components are included herein.

Refer to the online version of *Volkswagen's Warranty Policies and Procedures Manual* and *Warranty Bulletins* located in WISE > Policy Manual or WISE > Bulletins and Communications > Policy Bulletins for additional warranty information. If a discrepancy exists between what is stated in the *Warranty Coverage by Component Quick Reference* and the *Warranty Policies and Procedures Manual/Warranty Bulletins*, the *Warranty Policies and Procedures Manual/Warranty Bulletins* will prevail.

All information included in this *Warranty Coverage by Component Quick Reference* is subject to change without prior written notification by Volkswagen. The *Warranty Coverage by Component Quick Reference* is available electronically on WISE under Resource Center > Warranty Coverage by Component Quick Reference.
