**Western Star  
Service Bulletin**

## General Information

Effective January 28, 2019, the legacy Western Star manuals and bulletins will be available directly in Technical Literature.

Legacy Western Star manuals and bulletins can be accessed two ways as follows:

- Using the 'Search Technical Literature' function on DTNACconnect®, select the 'Make' drop-down menu, then select 'Western Star.' Select 'GO,' then select 'Legacy Western Star Manuals.'
- Type **DTNA.info/LegacyWSM** in the web browser URL bar.

Legacy StarNet parts catalog information will remain available through the PartsPro® application.

For questions or help with Technical Literature on DTNACconnect, contact [TechComm@daimler.com](mailto:TechComm@daimler.com).

## Warranty

This is an informational bulletin only. Warranty does not apply.
