UPDATE NOTES: The coverage in this bulletin is applicable to those Volvo Certified Pre-Owned (VCPO) vehicles retailed prior to November 1, 2018.

Warranty Coverage and Claim Submission Procedures for Certified Pre-owned vehicles retailed as of January 1, 2005 – October 31, 2018.

The Volvo Certified Pre-Owned (VCPO) warranty on all vehicles certified and retailed on or after 1/1/05 – 10/31/18 will be administered and paid through the Volvo warranty system. All claims will be submitted to and administered by the Volvo Warranty Department.

The Limited Volvo Certified Pre-Owned Warranty applies to all Volvo Certified Pre-Owned vehicles. For vehicles to be eligible, all requirements specified in the Volvo Certified Pre-Owned Operations Guide must be met.

Eligibility

Questions related to eligibility or non-warranty issues should be directed to Volvo’s Certified Pre-Owned Activities Manager. Vehicle owners should ***NOT be directed to the Warranty Help Desk.***

Eligibility **must** be confirmed prior to any repairs performed. Only those vehicles that have the comment “Eligible CPO Used Car” in the Vehicle Inquiry screen are eligible to have VCPO warranty claims submitted through the Volvo warranty system. Any vehicle with the comment “Select Used Car” is only an indication that the vehicle was sold as used through the Volvo sales network, and is not an indication of any coverage.

VCPO repairs will be honored on eligible vehicles while traveling in Canada when performed by an authorized Canadian Volvo retailer. Note: Certified Pre-Owned warranty claims will be entered and processed using the normal retailer warranty system. Parts will be reimbursed at the suggested list price (retail) at the time of repair and Labor will be reimbursed at the retailer's established warranty rate in effect at the time of the repair. All VCPO terms and parameters as outlined in this bulletin will be effective.

Coverage

Volvo Certified Pre-Owned Limited Warranty

Each Certified Volvo that was retailed from **January 1, 2005 – January 2, 2013** receives the remaining Volvo new-car original factory limited warranty and **up to 6 years/100,000 miles** (whichever occurs first) of Volvo Certified Limited Warranty protection from the **vehicles original** in service/warranty start date.

Each Certified Volvo that was retailed on or after **January 3, 2013 – October 31, 2018** receives the remaining Volvo new-car original factory limited warranty and **up to 7 years/100,000 miles** (whichever occurs first) of Volvo Certified Limited Warranty protection from the **vehicles original** in service/warranty start date.

The Volvo Certified warranty is an exclusionary warranty (refer to the *Limited Warranty* section for coverage information). Maximum mileage for each certified vehicle at time of sale cannot exceed 80,000 miles on the odometer. The coverage provides protection at any authorized Volvo retailer across the U.S. (except when deemed a true emergency and repairs are completed at a non-Authorized Volvo facility).

Buyback, Lemon Law or reacquired vehicles are not eligible for the VCPO program. Any Volvo vehicle that was bought back by the manufacturer (titled as "manufacturer buyback") is not eligible for certification. Vehicles with voided new car warranties also are not eligible for certification.

For more information on Volvo Certified Limited Warranty, see the *Limited Warranty* section of this bulletin.

Warranty Start Date

The warranty start date is the date the vehicle is sold to the first retail customer or put into service. Repairs covered under the terms of any other warranty are not eligible under the VCPO Warranty.

Parameters of Warranty Coverage

Diagnosis and evaluation of symptoms and conditions will be made by an authorized Volvo retailer. Only repairs/diagnosis deemed by the retailer to be covered under warranty will be made within a reasonable period of time during business hours.

Parts will be repaired or replaced at Volvo's discretion, by authorized Volvo retailers. Only genuine Volvo new or remanufactured parts which have been sold, supplied or approved by Volvo Car USA, LLC must be used. These Volvo approved parts meet the same design and quality standards as those components originally installed in the car. All parts replaced will become the property of Volvo for technical material analysis or other usage.

All VCPO warranty claims are subject to:

- Verification of data
- Parts Testing
- Audit
