REF #: ICI19-007

Effective: 02/15/19

Release: 02/12/19

SUBJECT: FL800 – Campaign Suspended

This letter is to inform you that recall FL800, Cascadia Steering Wheel Air Bags, will be suspended on Friday, 2/15/19. On that date you will see FL800 marked as “Suspended” in OWL.

A notice will be mailed to vehicle owners by the end of next week informing them of the suspension. A draft copy of the notice will follow for your reference.

Recall FL800 will be replaced by FL806, Freightliner Cascadia Steering Wheel Air Bags, which will have an adjusted population and different repair strategy. The FL806 repair is currently in development.

Last Repair Date for FL800 Repairs: Thursday, 2/14/19

First Repair Date for FL806 Repairs: To be determined

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
