

Technical Service Bulletin

55 Hood release lever handle color does not match A-pillar trim panel

55 19 45 2054719/1 April 12, 2019.

Model(s)	Year	VIN Range	Vehicle-Specific Equipment
Q7, Q8	2019 - 2020	All	Not Applicable

Condition

Customer states:

- The hood release lever handle is not the same color as the A-pillar lower trim panel.

Technical Background

Beginning with the 2019 model year, the available color variants for the hood release lever handle have been reduced from four colors:

- 4PK (Black).
- SF3 (Pistachio Beige).
- DS2 (Granite Grey).
- MG6 (Rock Grey).

To two colors:

- 4PK (Black).
- SF3 (Pistachio Beige).

The number of available interior colors for the A-pillar lower trim panel remain the same. As a result the hood release lever handle may be a different color than that of the A-pillar lower trim panel.

Technical Service Bulletin

Production Solution

This is an intended change in production.

Service

Do not replace the hood release lever handle for this appearance issue. Hood release lever handles replaced for this appearance reason will be denied.

Warranty

This TSB is informational only and not applicable to any Audi Warranty.

Additional Information

All part and service references provided in this TSB (2054719) are subject to change and/or removal. Always check with your Parts Department and/or ETKA for the latest information and parts bulletins. Please check the Repair Manual for fasteners, bolts, nuts, and screws that require replacement during the repair.
