RE: Request for Parts: 2018-2019 Odyssey Front Brake Judder

*This message is solely directed to Honda dealership personnel; please handle accordingly.  
Print this iN message and provide a copy to the Shop Foreman and all Service Advisors.*

**Background**

American Honda Motor Co., Inc. (AHM) is investigating certain 2018-2019 Odysseys with a customer complaint of pulsation in the brakes when applying brakes at highway speeds. To better understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

**Qualifiers**

AHM is interested ONLY if the vehicle meets the following requirement:

1. Must be able to duplicate the issue.
2. Brake disks have not been turned previously.
3. No repair has been attempted for this issue.

**Action Required**

If you have or know of such a vehicle, please call the Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
