RE: Scramble Activity Request for TPMS Light On Issue (Mirage/Mirage G4)
TIN NO. TIN-19-31-001

.....

AFFECTED VEHICLES: 2014 – 2019 Mirage, 2017 – 2019 Mirage G4

PURPOSE

MMNA is looking for a scramble opportunity on a Mirage or Mirage G4 that displays "TPMS light on" issue with "tire ID reception fail" DTC. If the vehicle has C1911, C1921, C1931, or C1941 (either active or stored), please stop your diagnosis and create a Techline case. Then, contact the MMNA associate below and he will guide you with further questions and instructions.
