

Technical Service Bulletin

00 DTCs caused by HV (AC or DC) charging while using ODIS Service

00 19 19 2054983/1 May 9, 2019.

Model(s)	Year	VIN Range	Vehicle-Specific Equipment
Audi e-tron quattro	2019 - 2020	All	Not Applicable

Condition

Customer states:

- No customer concerns, to be considered during PDI or any other diagnostic work.

Technical Background

Not applicable.

Production Solution

Not applicable.

Service

This TSB is to inform you to not connect any High Voltage Battery Charger (AC or DC) to the vehicle while doing any work with the ODIS Service because charging will cause unwanted DTCs to appear.

The only exception is when a test plan would instruct you to do so.

Warranty

This TSB is informational only and not applicable to any Audi Warranty.

Additional Information

All parts and service references provided in this TSB (2054882) are subject to change and/or removal. Always check with your Parts Department and/or ETKA for the latest information and parts bulletins. Please check the Repair Manual for fasteners, bolts, nuts, and screws that require replacement during the repair.
